

britain foreign affairs 1919 pdf

A country's foreign policy, also called foreign relations or foreign affairs policy, consists of self-interest strategies chosen by the state to safeguard its national interests and to achieve goals within its international relations milieu. The approaches are strategically employed to interact with other countries. The study of such strategies is called foreign policy analysis.

Foreign policy - Wikipedia

The United Kingdom of Great Britain and Ireland was established by the Acts of Union 1800, which merged the kingdoms of Great Britain and Ireland.. The United Kingdom having financed the European coalition that defeated France during the Napoleonic Wars, developed a large Royal Navy that led the British Empire to become the foremost world power for the next century.
