Abstract: We're living in yesterday's future, and it's nothing like the speculations of our authors and film/TV producers. As a working science fiction novelist, I take a professional interest in how we get predictions about the future wrong, and why, so that I can avoid repeating the same mistakes.

The TeX showcase. This is the TeX showcase, edited by Gerben Wierda. It contains extreme examples of what you can do with TeX, the typesetting engine from Donald Knuth, world famous mathematician, computer scientist and above all well known for TeX. I will try to keep this showcase small. For remarks on submissions, see at the end of this document.
