The Canadian health care system is often compared to the US system. The US system spends the most in the world per capita, and was ranked 37th in the world by the World Health Organization in 2000, while Canada's health system was ranked 30th. The relatively low Canadian WHO ranking has been criticized by some [who?] for its choice of ranking criteria and statistical methods, and the WHO is ...

This site differs from others opposed to genital mutilation: its focus is on intactness rather than on genital cutting. It is intended to counteract the mindset that the foreskin is an "extra" "flap of skin" and that male genital cutting is the norm, and the corresponding mindsets that lead to the cutting of girls and intersex people.
