Summary of Stages of Racial Identity Development 4 Integrated Model (John and Joy Hoffman)

CONFORMITY (Whites and People of Color): In the first stage of conformity, people of color and Whites feel that they are just "regular Americans." Unconsciously, members of both groups strive to emulate Whiteness in actions,

Nationalism is a political, social, and economic ideology and movement characterized by the promotion of the interests of a particular nation, especially with the aim of gaining and maintaining the nation's sovereignty (self-governance) over its homeland. Nationalism holds that each nation should govern itself, free from outside interference (self-determination), that a nation is a natural and ...

American ancestry refers to people in the United States who self-identify their ethnic origin or descent as "American", rather than the more common officially recognized racial and ethnic groups that make up the bulk of the American people. The majority of these respondents are White Americans, who however no longer self-identify with their original ethnic ancestral origins or simply respond ...
