

cim revision cards marketing pdf

You should study simple gear trains to satisfy the course requirements. However, more detailed links have been added below, if you feel there is a need extend your own learning. A series of maths based questions and answers are also included, although these are unlikely to appear in the examination (according to the sample paper).

THE NEW DESIGN AND TECHNOLOGY GCSE

Product Design involves a broad approach to the designing and making of innovative / new products. Pupils/students studying Product Design should work closely with other sections of the site including the Resistant Materials, Design Process, Equipment and Processes and Electronics sections. The Graphics section may also be of interest.
