coding and billing for immunizations adapted from the documentation, coding and billing guidance document part ii , version 4 public health nursing and professional development unit (phnpdu)

Coding and Billing for immunizations - N.C. Division of

Medical classification, or medical coding, is the process of transforming descriptions of medical diagnoses and procedures into universal medical code numbers. The diagnoses and procedures are usually taken from a variety of sources within the health care record, such as the transcription of the physician's notes, laboratory results, radiologic results, and other sources.

Medical classification - Wikipedia

The Social Security Act (the Act) requires the Centers for Medicare & Medicaid Services (CMS) to establish payments under the Medicare Physician Payment Schedule based on national uniform relative value units (RVUs) that account for the relative resources used in furnishing a service.
