3 Coloring Outside the Lines exemption has apparently caused some confusion in the lower courts. Examining cases brought by educational employees, this article documents an improper expansion of Garcetti's exemption in the federal appellate courts and argues for restoring its proper and very limited scope. The article proceeds as follows.

COLORING OUTSIDE THE LINES Stephanie Y. Mitchem Generally, humans need some safe haven: a home, a nest, some burrow where rest is possible. Women who labor in the academic world usually understand this need in more specific ways because of continuing unpleasant experiences in the workplace, ranging from dismissal of their ideas to downright hostility.

In Coloring Outside the Lines, author Roger Schank asserts that raising smarter kids isn't about forcing information on kids when they aren't ready or interested. Instead, he helps parents identify the individual interests of their children and explains how to continually nurture a genuine love of learning, resulting in children who are determined, creative, and ambitious.
