Grammar. Misconception: A sentence must not end in a preposition. Mignon Fogarty ("Grammar Girl") says, "nearly all grammarians agree that it's fine to end sentences with prepositions, at least in some cases." Fowler's Modern English Usage says that "One of the most persistent myths about prepositions in English is that they properly belong before the word or words they govern and should not ...

As is typical for many languages, full conditional sentences in English consist of a condition clause or protasis specifying a condition or hypothesis, and a consequence clause or apodosis specifying what follows from that condition. The condition clause is a dependent clause, most commonly headed by the conjunction *if*, while the consequence is contained in the main clause of the sentence.
