Good practice contract management framework. The framework is a good practice guide for managing a broad range of contracts. It is particularly relevant for contracts where services are delivered over a long period of time (five years plus) where customers need to ensure that service levels and value for money are maintained over the duration of the contract.

The Contract (in full-length and shorter-form versions) has now been updated from the 2016/17 to the 2017/18 " 2018/19 version. A summary of the changes we have made to the Contracts can be found in section 3 of the NHS Standard Contract Technical Guidance and in the Summary of key changes documents below.

2017/19 NHS Standard Contract: November 2016 - NHS England

The American Academy of Financial Management (AAFMM) was a US-based board of standards, certifying body, and accreditation council focused on the finance sector and management professionals. It was criticized in the Wall Street Journal as having low requirements for the credentials it confers and for excessive claims of links to other associations and industry experts.

Information technology is defined as any equipment or interconnected system or subsystem of equipment that is used in the acquisition, storage, manipulation, management, movement, control, display, switching, interchange, transmission, telecommunications, or reception of data or information.

Office of Management and Enterprise Services (OMES)

A contract is a promise or set of promises that are legally enforceable and, if violated, allow the injured party access to legal remedies. Contract law recognises and governs the rights and duties arising from agreements. In the Anglo-American common law, formation of a contract generally requires an offer, acceptance, consideration, and a mutual intent to be bound.
