

corporate governance essentials pdf

Corporate governance is the mechanisms, processes and relations by which corporations are controlled and directed. Governance structures and principles identify the distribution of rights and responsibilities among different participants in the corporation (such as the board of directors, managers, shareholders, creditors, auditors, regulators, and other stakeholders) and includes the rules ...

RCW 35A.12.060 provides that "a council position shall become vacant if the councilmember fails to attend three consecutive regular meetings of the council without being excused by the council." A councilmember on an extended leave of absence retains the council position so long as the absences from council meetings are excused by the remaining councilmembers, typically by motion.
