

cozy classics war and pdf

The early history of Gyeongju is closely tied to that of the Silla kingdom, of which it was the capital. Gyeongju first enters non-Korean records as Saro-guk, during the Samhan period in the early Common Era. Korean records, probably based on the dynastic chronicles of Silla, record that Saro-guk was established in 57 BCE, when six small villages in the Gyeongju area united under Bak Hyeokgeose.
